Monday, 26 March

School closed for the two week Easter Break

Monday, 9 April

School Returns

Mother's Day Lunch

We were delighted to welcome so many Mums/Grand Mothers/Aunts and friends to school for our Mother's Day Lunch. The atmosphere was fantastic and we received some lovely comments,

'The children were all very excited to show off their school'

'I had such a wonderful time'

'It was lovely to be cooked for—such a delicious meal!'

Reminder—**Class 5/6YW** will be swimming every Wednesday afternoon after the Easter break. Please remember to bring your swim wear on Wednesdays.

Easter Egg Competition

The School Association are delighted to announce an egg decorating competition!

We are inviting all pupils to decorate a boiled egg and bring it into school on

Wednesday 21st or Thursday morning 22nd March.

Children in Pre-School/Reception/Years 1 & 2 are asked to decorate

an egg on a fairy tale theme. Children in Years 3/4/5/6 are asked to

decorate an egg with a sports theme. So why not have a go and get creative?

There will be 2 Easter Eggs awarded per class for the best eggs!

We look forward to seeing your designs!

Class 5/6YH Space Day

On Thursday Class Y5/6 JH were invited, by the Inspiring Minds project, up to the university for Space Day! Throughout the day they made vessels in an attempt to stop an egg cracking when it hit the earth, explored the night sky in the cosmodrome, learnt about how the telescopes work in the observatory and finally were given a demonstration of how a rocket leaves our atmosphere- using rocket fuel of course!

Clubs and Menu for next half term

There are some changes to clubs for the next half term. You will receive further information shortly but please also check the school web site. The main change is that Dave Scoreby will no longer be running his before and after school football clubs. We are pleased to announce however that he will continue to be working with our school.

The menu for next half term will remain the same, starting on 'week 2' of the menu. We will publish the menu with the new dates shortly.

Cyberbullying
Surfing the net
How do I switch off the X-box?
What are they posting on Facebook?

How do I keep them safe?

Family Matters York & Osbaldwick Primary School are holding an:

E-safety workshop

A fun, informal session with discussion on:

- ❖ Issues around mobile phones, social networking and gaming and what parents can do about them
- ❖ Helping children to become SMART internet users
- ❖ Setting and maintaining reasonable boundaries
- ❖ Cyberbullying
- ❖ Where to go for help/advice

When: 19th March 1.15 – 3pm
Where: The Lane Site YO10 3AX

just turn up!*

The School Council and Sustrans put safety first

Clementine Ensor of The School Council writes,

'On Thursday the School Council walked certain routes for five minutes to create a 5 minute walking zone around the school gates. A letter is coming out to inform you about the 5 minute walking zone. We ask that you park outside the zone approximately 5 minutes before school and walk your child the rest of the way.'
