York Children's University Graduation, 25th March 2016

Congratulations to 11 of our pupils who were rewarded for participating in out of school activities at a special graduation ceremony held at the Jack Lyons Hall at York University.

The pupils proudly received their awards from Professor Matt Matravers and the Lord Mayor of York, Councillor Sonja Crisp. The ceremony also included dance and poetry performances, as well as an inspirational speech by Elizabeth Wright, Paralympic champion, about reaching goals. Well done to all.

If you would like your child to participate in the York Children's University passport scheme, further details are available from the school office.
