

## **Osboldwick Primary Academy - Remote Teaching and Learning.**

**‘Remote Teaching and Learning’ refers to the provision of online learning activities, teacher support, assessment and feedback from teachers to pupils in the event that normal lessons are unable to be delivered ‘face-to-face’ as normal.**

Dear Parents and Carers

As you all know, during these unprecedented times technology has been a fantastic resource in allowing us to continue to deliver high quality teaching and learning remotely. We therefore, as a school, are endeavouring to ensure this high quality education will continue no matter the circumstances or a child, family, ‘bubble’ or staff member.

In order to do this a number of online platforms will be used to facilitate your children’s ongoing learning, which will continue to be based on the EYFS and the National Curriculum as well as our bespoke OPA Curriculum Long Term Planas. The platform used may vary depending on the year group of your child as outlined in the ‘Remote Teaching and Learning Policy’.

The circumstances of each individual or family may vary depending on their personal circumstances. Therefore, we have put in place a number of provisions to ensure every child will have access to the appropriate resources within a timeline reflective of those circumstances.

Remote teaching and learning does however rely on access to the internet and a device capable of facilitating the online platforms being used. If you have issues with accessing the internet or connectivity that will prevent your child from engaging in remote teaching and learning, school can offer to support you and can apply for increased broadband access and/or data on your behalf. Please do let us know if this is the case and we will be happy to support you.

Please see below for a breakdown of the provisions which will be made available for a number of different circumstances.

If you have any problems, please get in touch with us.

Best wishes

Mrs Mould  
Acting Headteacher

## Different scenarios to ensure effective remote teaching and learning

### RTLP - Remote Teaching and Learning Policy.

If accessibility/wifi/devices are causing issues, please contact the school and we can offer support.

Teacher/student circumstances	Teacher/school action
Child off school because parent/carer feels unable to send their child into school due to anxiety about risk of Covid-19 infection (possible vulnerable adults) but is well.	EY - a phone call home to ensure that parents and carers are confident in accessing and using Tapestry to access work and to return work. Y1-6 - Chrome Book available for collection or delivery to home to ensure child is able to access immediate learning activities provided by the teacher using an online platform, such as seesaw or Google classroom (identified in the RTLP). Parents and Carers to inform school of issues regarding connectivity.
Child self-isolating and feeling well should follow his/her timetable for each day, completing the work as required.	Normal teaching and learning activities will be provided via the appropriate online platform - following the timetable outlined in the RTLP. The child's learning will be inline with the learning of their peers within school and will be based on the schools curriculum design and informed by the EYFS or National Curriculum. Phone call home each week to check in regarding well being and engagement with learning.
Child off school because of confirmed illness (Covid-19 related or other).	No learning will be sent home, whilst the child is unwell.
Whole Class Bubble (including teacher) self-isolating. The teacher is sending the appropriate resources via online platform.	If well, the teacher will continue to send teaching and learning resources home via the appropriate online platform, following the timetables outlined in the RTLP. This will include a range of independent activities and may also be supported by pre-recorded teacher input. If the teacher is unwell, they will liaise with colleagues to ensure that work is still set each day. If a child is well, they should complete each task set each day, as directed by the teacher. If a child is unwell during a period of self isolation, there is no expectation that they will complete the work. Weekly phone call to all children in bubble to check in regarding well being and engagement with learning.
Whole school closure for students due to student outbreak. (ill children are exempt)	The teacher will continue to send teaching and learning resources home via the appropriate online platform, following the timetables outlined in the RTLP. This will include a range of independent activities and may also be supported by pre-recorded teacher input. If well, children should continue to complete work as directed by the teacher. If unwell, there is no expectation that children should complete work set.

	Weekly phone call to all children in school to check in regarding well being and engagement with learning if well enough.
Individual teacher self-isolating and not showing symptoms of Covid-19, with no dependants under the age of eight and with good connectivity.	The teacher will continue to set teaching and learning activities from home which children will then be able to access in school via the online platform (facilitated by another member of staff). Activities will include a mixture of independent tasks (with video inputs included). SLT regular check ins with staff and children.
Individual teacher self-isolating and not showing symptoms of Covid-19, with no dependants under the age of eight and with poor connectivity.	The teacher will continue to set teaching and learning activities from home which children will then be able to access in school via the online platform (facilitated by another member of staff). Activities will include a mixture of independent tasks (with video inputs included). SLT regular check ins with staff and children. <b>If online platforms are not available, the teacher will liaise with staff in school to ensure high quality education.</b>
Individual teacher self-isolating and not showing symptoms of Covid-19, with dependants under the age of eight who need looking after.	The teacher will continue to set teaching and learning activities from home which children will then be able to access in school via the online platform (facilitated by another member of staff). Activities will include a mixture of independent tasks (and may include video inputs). SLT regular check ins with staff and children.
Individual teacher on sick leave with Covid-19.	Teacher will not be providing teaching and learning activities. Provisions will be put in place in school to support learning e.g. teaching assistant / supply teacher. SLT regular check ins with staff and children.
Individual teacher on sick leave other than with Covid-19.	Teacher will not be providing teaching and learning activities. Provisions will be put in place in school to support learning e.g. teaching assistant / supply teacher. SLT regular check ins with staff and children.
A number of teachers are at home self-isolating to the point where we have to put merge bubbles.	Provisions will be put in place in school to support learning. remaining teachers will ensure the continuation of curriculum based learning. Teachers self isolating (if well) will continue to share learning resources with the teachers in school via drive and will continue to provide assessment/feedback on learning completed. Staff in school deployed to facilitate learning. SLT regular check ins with staff and children.
