

12th March 2021

Dear Parents and Carers

What a week! It has been just lovely to see all our children back together in school - school has come alive again! It is wonderful to see and hear the children in classrooms, outside, in lessons, playtimes and generally enjoying being back together!

We are very aware that, for some children, coming back to school may have caused some anxiety. Please do let us know if this is affecting your child and we can arrange for our WEB Team to check in with them and offer any support that they need. We all want our children to be happy and secure and then they will be ready to learn.

Welcome Back Week

The children have had a lovely week taking part in various Welcome Back activities in the afternoons. Walking around the school it has been great to see Art - both indoors and out - sports, literacy linked to mindfulness, DT and Forest Schools. Don't forget to ask your child what they have done this week!

World Book Day - Osballdwick Style!

Wow! There were so many fantastic costumes yesterday and there was a real sense of excitement in the air all day! The children were very keen to share their costumes with their friends and teachers and take part in various activities. Thank you to all parents and carers for their efforts in putting costumes together. We are hoping to put some photos on our website shortly.

Car Park

Please note that the car park on the Leyes site will be closed from 8.30am onwards each day and only used for staff parking. This is in the interests of safety and safeguarding.

One Way Systems

We would ask all parents and carers to stick to the one way systems that are in place on both sites. Please could parents and carers be particularly mindful of others on the Leyes site. There are passing places to allow for social distancing.

Hometimes on the Lane Site

The WEB Team have now spoken to the families who have children with both a 3pm and 3.15pm hometime and arrangements have been made. If you have any other questions about this, please do contact me via the office (admin.osb@ebor.academy) or speak to a member of the WEB Team or SLT on the playground in a morning or afternoon.

I wish you all a very restful weekend.

Best wishes
Mrs Mould
